

## Oligo Boron 150g/L Liquid

October 2016

SHEET 1 / 1

## Section 1 / Description:

Brand name	Van Iperen Oligo Boron 150g/L Liquid
Chemical name	Solution of boron ethanolamine
Appearance	Slightly viscous, colorless to light yellow liquid

## Section 2 / Chemical composition:

Boron (B)	11% w/w   14.7% w/v
-----------	---------------------

## Section 3 / Physical properties:

Density	1.34 kg/L
pH	8 +/- 0.5
